The Musary, JRP Inc., a musical instrument lending library, will be hosting our Annual Symphony of Trees Gala Auction event on Saturday, December 2, 2017 at the The Essex Room at Woodman's (Essex, MA). The **Symphony of Trees Gala is our biggest fundraising initiative** and historically has supported us in achieving our mission to provide our communities the unique opportunity to experience, learn, and create music like never before.

In total, last year's Symphony of Trees Gala Event was able to generate over \$25,000 in much needed funds for The Musary, JRP Inc. and its programs! The Gala is a 'can't miss' Holiday tradition, complete with live entertainment, dinner, silent "tree" auction, and red carpet arrival. This event provides much needed funding for our instrument-lending program.

The Musary, JRP Inc. is a recognized 501(c)3 non-profit organization that works to motivate, cultivate and inspire people, especially young people, in our community to get involved in music. Through a one-of-a-kind instrument-borrowing program, The Musary lends instruments "no strings attached".

So far, The Musary has...

- Lent **863** instruments!
- Reached **9,754** aspiring musicians!
- Facilitated **3,579** borrowing terms!
- Saved borrowers over **\$394,000!**

With your help, we will be able to further empower families, children and individuals all over New England (and beyond) to get involved with and share in a love of music. As a sponsor or donor, you or your business will be highlighted in all suitable promotional and marketing materials (radio, print, social, digital, email, etc.) during and leading up to the Symphony of Trees event.

For a full menu of sponsorship & donor opportunities please view the included sponsor form or contact any Musary Volunteer directly with the information provided below. Any support will be greatly appreciated and help us in our mission to spread a love of music!

Thank you for your consideration and we are confident that our partnership will make a memorable evening together!
